

CURRICULUM VITAE

Fateme Goudarzi, PhD, MSc. BSc, RN

Contact Details:

Address (Work): Lorestan University of Medical Sciences, Khorramabad, Iran.

Position: Dean of Nursing School

Phone: +98 42507733

E-mail: fatemegoudarzi75@yahoo.com and goudarzi.f@lums.ac.ir

ORCID ID: <https://orcid.org/0000-0001-8857-2780>

Education:

▪ **PhD Nursing** (2011- 2015)

Ahvaz Jundishapur University of Medical Sciences – School of Nursing and Midwifery

Thesis Title: Exploring the Caring Process of Patients in a Vegetative State

▪ **MSc Nursing (Medical-Surgical Nursing)** (2004-2007)

Tehran University of Medical Sciences - School of Nursing and Midwifery

References available upon request

Thesis Title: Assessment the Effect of Organized Auditory Stimulations on Level of Consciousness of Patients with Comatose status

▪ **BSc Nursing** (1998-2002)

Shahid Beheshti University of Medical Sciences - School of Nursing and Midwifery

Research grants:

- Lived Experiences of Health workers of Preventive Affairs Against COVID-19 and Its Challenges: A Qualitative Study (2020)
- Investigating the Perception of Elderly People Habitant at Their Home and Institutes from Successful Aging and its' Predictor Factors in Borojerd (2020)

- Assessing the Impact of the Comprehensive Unit-Based Safety Program (CUSP) of Healthcare Providers on Safety Culture in Intensive Care Unit (2019)
- Assessment of Chemotherapy Standards-Oriented Training by Smartphone Software on Knowledge, Attitude and Performance of oncology Nurses (2019)
- The Effect of Telephone Training Intervention on Reducing the Care burden of Family Caregivers of Patients with Cancer (2019)
- Nurses' Perception of Futile Care and its Relationship with Moral Distress and Job Burnout in Nurses in Critical Care Units of Educational Hospitals in Khoramabad city (2018)
- Investigating the Relationship Between Uncertainty in Illness and Anxiety, Depression and Quality of Life in Patients with Cancer (2018)
- The Effect of Spiritual Intelligence Training on Spiritual Intelligence and Spiritual Care Competence in Critical Care Nurses in Teaching Hospitals of Lorestan University of Medical Science (2017)
- Assessment of Patients' Perception about Quality of Humane Caring in Critical Care Units of Teaching Hospitals of Lorestan University of Medical Science (2017)
- Investigation of Family Caregiver's Burden of Patients with Stroke and Some Predictive Factors at Khorramabad city (2016)
- Exploring the Caring Process of Patients in a Vegetative State (2015)
- Investigation Job Burnout and Its Related Factors in Nurses Working in Governmental Hospitals in Lorestan Province
- Effect of Auditory Stimulation with Familiar Voices on Level of Consciousness in Patients with Coma (2007)

Supervising MSc Student:

- **Thesis for MSc Degree:** Zohre Hojati. Assessment of Chemotherapy Standards-Oriented Training by Smartphone Software on Knowledge, Attitude and Performance of oncology Nurses.
- **Thesis for MSc Degree:** Mahin Abdi. The effect of telephone training intervention on burden of family caregivers of patients with cancer.
- **Thesis for MSc Degree:** Zahra Merdasi. The Impact of Applying the Comprehensive Unit-Based Safety Program (CUSP) on Safety Culture of Healthcare Providers In Intensive Care Unit.

Qualifications:

- RN
- Qualitative Research
- Quantitative research
- Academic Teaching in BSc and MSc degree for Nursing students

References available upon request

- Virtual Education (Planning, methods, content production, evaluation)
- Wound Management
- Elderly care
- Care of Patients with LOC Disorders
- Patient education and self-care
- Educational and Institutional Validation

Work Experience:

- Lorestan University of Medical Sciences, Khorramabad City, Lorestan Province, Iran (January 2009 up to now)

•Positions:

1. University lecturer
2. Assistant professor

- Emam Jafar Sadegh Hospital, Aligudarz City, Lorestan Province, Iran (June 2002-January 2009)

•Positions:

1. Clinical Nurse at Hospital
2. Clinical Supervisor
3. Educational Supervisor

Teaching Experience:

- Lorestan University of Medical Sciences, Lorestan, Iran
Assistant professor: Medical-Surgical Nursing Courses for BSc and MSc Nursing Students (July 2015- up to now)
- Lorestan University of Medical Sciences, Lorestan, Iran
University lecturer: Medical-Surgical Nursing Courses for BSc Nursing Students (January 2009-April 2010)

Professional Appointments and Institutional Responsibilities

- Dean of Nursing school of Borojerd, Lorestan University of Medical Sciences (2021 to now)
- Vice chancellor in Nursing school of Borojerd, Lorestan University of Medical Sciences (2018 – 2021)
- Director of Education Development Center, Lorestan University of Medical Sciences (2015 -2018)

References available upon request

- Clinical and educational supervisor in Emam Jafar Sadegh Hospital, Aligudarz City (2007 – 2009)
- Nurse in charge of the Pediatric Unit in Emam Jafar Sadegh Hospital, Aligudarz City (2007 – 2009)

Honors and Awards:

- Awarded Nurse in Lorestan University of Medical Sciences, 2019
- Elite student in PhD grade, Ahvaz Jundishapur University of Medical Sciences – School of Nursing and Midwifery, 2015
- First rank student in MSc grade, Tehran University of Medical Sciences - School of Nursing and Midwifery, 2007
- First rank student in BSc grade, Shahid Beheshti University of Medical Sciences - School of Nursing and Midwifery, 2002

Membership and collaborating with journals:

- Member of editorial board of “International Journal of Studies in Nursing”, Available in: <http://journal.julypress.com/index.php/ijsn/about/editorialTeam>
- Associate editor in “American Journal of Biomedical Sciences and research” Available in: <https://biomedgrid.com/associate-editors.php>
- Member of editorial board of “Nursing Development in Health” journal Available in: <http://ndhj.lums.ac.ir/page/41/%D9%87%DB%8C%D8%A7%D8%AA-%D8%AA%D8%AD%D8%B1%DB%8C%D8%B1%DB%8C%D9%87>
- Reviewer for some journal

Languages:

- English
- Persian (Farsi)

Hobbies and Interests:

- Swimming
- Cycling
- Reading books
